

Year 2 - Spring 2

<p>Science</p> 	<p>To be completed during the week beginning 3rd March 2025 Over the course of a week, study the change of a plant in your garden or near your house. Can you record its growth? If you are able to, you could even plant a seed.</p>
<p>Technology</p> 	<p>To be completed during the week beginning 10th March 2025 Using Word or another computer programme, create a poster about the importance of saving electricity and recycling. Think about using different fonts, colours, images and the layout.</p>
<p>Engineering</p> 	<p>To be completed during the week beginning 17th March 2025 Draw a labelled design of a car you would like to create. Can you find materials you have at home to create a model of your design? You could use Lego, building blocks or recycling materials.</p>
<p>Arts</p> 	<p>To be completed during the week beginning 24th March 2025 Create a 1-minute dance piece to your favourite song and teach it to a friend or family member.</p>
<p>Maths</p> 	<p>To be completed during the week beginning 31st March 2025 Using your knowledge of length and height, measure yourself and your family's height with a tape measure. Write a short sentence explaining who is the tallest and who is the shortest member of your family.</p>

Children in Year 2 can bring any STEAM Challenge work they complete into school or submit it to the year group homework email address – year2homework@thedenbighalliance.org.uk
