At Watling Primary School, we recognise that the personal development of pupils spiritually, morally, socially and culturally plays a significant part in their ability to learn and achieve. This is particularly important in the formative years and, as such, a large part of the responsibility for this sits with us as primary educators.

SMSC development ensures that we become individuals with integrity, social conscience and an appreciation for the world around us. It enables us to have a strong moral compass with a good understanding of right and wrong and the ability to make decisions that consider others.

If SMSC is taught well, it contributes to a pupil's overall personal development and their ability to be confident and articulate. This in turn leads to success and opens doors to their future.

For these reasons, the development of our pupils in terms of SMSC is prioritised in everything we do at Watling Primary School.

SMSC in the curriculum

Our Curriculum is underpinned by the drivers of Equality, Emotional and Economic wellbeing and Environment which link intrinsically to SMSC.

We will develop spiritual, moral, social and cultural awareness through:

- active promotion of our school rules – Be safe, Be kind, Be respectful
- reminding children of the symbolism of our school logo and the way in which it represents and celebrates the value of individuals as part of a collective
- reinforcing the Watling Way values at every opportunity
- providing opportunities for our children to develop CAPTAIN Learning Characteristics to become better communicators, active learners, problem-solvers, team-players, achievers, investigators and nurturers
- active promotion of the British Values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs
- assembly themes which focus on and promote the development of SMSC
- a PSHE Curriculum which allows our pupils to explore themes including Me and My Relationships, Valuing Differences, Keeping Safe, Rights and Respect, Being My Best, and Growing and Changing
- protected time for Forest School sessions and opportunities to learn outdoors so that pupils develop connections with nature
- an RE curriculum that allows children to explore different faiths and beliefs
- use of illustrations and examples in our teaching and learning that are drawn from as wide a range of cultural contexts as possible
- active promotion of our Behaviour Policy and Anti-Bullying Policy, including a consistent approach to consequences for poor behavioural choices

- opportunities for pupil voice and experience of democracy e.g. class discussions, debates, School Council and Eco Schools Council membership
- provision for extra-curricular, themed days and celebrations throughout the school year e.g. cultures day, Mental Health awareness days, diverse religious festivals, Anti-Bullying week, World Environment Day
- fostering positive links with the school and wider community e.g. trips, visitors to school, organised charity events, competitions, parental involvement, links with other partners in the Trust

We aim to provide an education that provides pupils with opportunities to:

- explore and develop their own values and beliefs and spiritual awareness
- demonstrate high standards of personal behaviour and a positive, caring attitude towards other people
- explore an understanding of their own social and cultural traditions and an appreciation of the diversity and richness of other cultures
