

## Year 1 – Summer 1

<p><b>Science</b></p> 	<p><b>To be completed during the week beginning 21<sup>st</sup> April 2025</b></p> <p>Do you know where birds live? Birds use their beaks to weave materials together to make a nest. Can you make a nest for a bird? Go outside and collect some natural materials such as sticks, twigs, grass, leaves, feathers, bark and straw. Where would the best place be to put your nest?</p>
<p><b>Technology</b></p> 	<p><b>To be completed during the week beginning 28<sup>th</sup> April 2025</b></p> <p>Use technology to locate the four countries of the United Kingdom and their capital cities. Can you also search for any other meaningful places to you within the United Kingdom?</p>
<p><b>Engineering</b></p> 	<p><b>To be completed during the week beginning 5<sup>th</sup> May 2025</b></p> <p>Build a boat that can float! Use materials that are waterproof/buoyant to build your own boat. You could use plastic cups, plastic bottles, sticks, aluminium foil, etc. Test your boat out by seeing if it can carry something small like a penny or a button. How many small items can your boat carry without sinking?</p>
<p><b>Arts</b></p> 	<p><b>To be completed during the week beginning 12<sup>th</sup> May 2025</b></p> <p>Can you create a musical instrument that makes a sound? You could use materials such as: plastic bottles, cardboard boxes, dried food (e.g. pasta, rice, etc.), elastic bands, etc. Create a beat using your new musical instrument. You could add in some body percussion too!</p>
<p><b>Maths</b></p> 	<p><b>To be completed during the week beginning 19<sup>th</sup> May 2025</b></p> <p>Can you calculate how much money you would need for an item when you go shopping with your family? How much does the item cost? Which coins would you need?</p>
