

Year 3 – Summer 1

<p>Science</p> 	<p>To be completed during the week beginning 21st April 2025 Research the lifecycle of a plant. Can you present your work as a written fact file, a video presentation or as a diagram?</p>
<p>Technology</p> 	<p>To be completed during the week beginning 28th April 2025 Use a word processing app to create a magazine cover for a new magazine! It could be about anything: cars, dinosaurs, animals, your local area, sports, or anything else that you might be interested in. Think about which fonts you use, font size, pictures and text.</p>
<p>Engineering</p> 	<p>To be completed during the week beginning 5th May 2025 How to make a volcano Natural History Museum Ask your grown up to search for the volcano experiment and try this at home. What did you observe? What was your favourite part? What surprised you the most?</p>
<p>Arts</p> 	<p>To be completed during the week beginning 12th May 2025 Research the artist Raphael. What do you notice about their portraits? What is the expression of the subject like? Have a go at creating a self-portrait inspired by the work of Raphael.</p> 
<p>Maths</p> 	<p>To be completed during the week beginning 19th May 2025 Have a go at converting pounds to pence: £2.50 = ____p £1.28 = ____p Three pounds and forty-four pence = ____p 236p = £ _____ 515p = £ _____</p>

Children in Year 3 can bring any STEAM Challenge work they complete into school or submit it to the year group homework email address – year3homework@thedenbighalliance.org.uk
